

FEAR NOT: EVERYTHING FOR OUR GOOD

DISCUSSION GUIDE

UNDERSTANDING THE SEASON: We have entered into unprecedented days for the church. God is not taken off guard so we must be intentional about moving from being on our heels to being on our toes. Our mission hasn't changed. Love is our agenda and making disciples is our focus. God is speaking to His sons and daughters and it is important that we all take the time to hear his voice.

We've been starting our groups with the first and primary question that we want to continue even more specifically during this season:

DISCUSSION QUESTION:

1. Where are you reading in your Bible and what are you sensing from God?

Rom 8:28 *And we know that in all things God works for the good of those who love him, who have been called according to his purpose.* NIV

DISCUSSION QUESTION:

2. Share of a time when a situation seemed terrible but something good came from it?

David clearly communicates that God enlarged him when he was in distress. When things aren't going our way we are more inclined to pray and turn to God.

Ps 4:6 *Hear me when I call, O God of my righteousness: you have enlarged me when I was in distress...* (AKJV)

Let's allow God bring something beautiful out of this incredibly difficult time. There are enrichment opportunities resulting from the extra time we have together. These are great times to spend extra time in God's Word, extra time focusing in prayer, extra time calling and checking on people, praying with them, etc.

DISCUSSION QUESTIONS:

3. Where in your daily routine could you become more aware of God's presence?
4. What is one of your most favorite worship songs?
5. Share how you plan to implement our action point this week.
